Filing Description:

The United States Fire Insurance Company wishes to submit the enclosed Group Accident Only insurance forms for your review and approval. The forms are new and are not intended to replace any existing forms previously filed and approved by your Department.

Upon approval by the Department, the marketing will be through licensed producers. All marketing methods will always be employed in accordance with state law and regulation.

This is a group accident program which provides Accidental Death & Dismemberment, Expense-Incurred Accident Medical Benefits and other ancillary benefits for a Covered Accident that can be included in Group Accident policies issued to associations located outside of the state covering residents of your state. Upon approval the Policy will be issued to eligible Associations and coverage will be available to eligible members of the group. Spouse and dependent coverage will also be available for additional premiums.

We have enclosed the by-laws and articles of incorporation for the association (-NABF) to which this coverage may be made available but would also like the ability to offer this to additional subsequent associations in the future.

When the master policy is issued outside of your state, the enclosed filed certificate will be issued to residents of your state evidencing coverage under such policy.

Any bracketed information is being filed as variable and is illustrative. Unless otherwise informed, we reserve the right on a case by case basis to alter the layout of the enclosed forms, including color, type face and font. We certify that the type size will always remain as the state required size and all statutory/regulatory requirements will not be changed. The forms themselves note when certain provisions within these forms may be included, deleted or modified, as applicable to a particular policy. Variable material will never be more restrictive than permitted by law. Additionally, variations may result from negotiations between us and the Policyholder.

In addition an Explanation of Variability has been included for your convenience.

If you should have any questions or concerns regarding this submission, please do not hesitate to contact us. We thank you in advance for your prompt review of this filing.

The first Eligible Expense must be incurred within the time frame shown on the SCHEDULE OF BENEFITS.

The total of all medical benefits payable under this Policy is shown on the SCHEDULE OF BENEFITS: and Subject to the specific maximums shown on the SCHEDULE OF BENEFITS.

[Failure by a Covered Person to follow the terms and conditions and/ or failure to utilize the network providers and facilities of His primary coverage will result in a benefit reduction of Covered Expense to [50%] of the amount otherwise payable under the Policy. This limitation will not apply to emergency treatment required within 24 hours

after an Accident when the Accident occurs outside the geographic area served by Your primary plan's HMO, PPO or other similar arrangement for provision of benefits or services, if applicable.]

[Full Excess Medical Expense:

If an Injury to the Covered Person results in his incurring Eligible Expenses for any of the services in the SCHEDULE OF BENEFITS, We will pay the Eligible Expenses incurred, subject to any applicable [Deductible Amount], [Benefit Period], [Co-Payment], and [Coinsurance Percentage], that are in excess of Expenses payable by any other Health Care Plan, regardless of any Coordination of Benefits provision contained in such Health Care Plan.

The Covered Person must be under the care of a Physician when the Eligible Expenses are incurred. The Expense must be incurred solely for the treatment of a covered Injury:

- (1) While the person is insured under this Policy; or
- (2) During the Benefit Period stated on the SCHEDULE OF BENEFITS.

The first Expense must be incurred within the time frame shown on the SCHEDULE OF BENEFITS.

The total of all medical benefits payable under this Policy is shown on the SCHEDULE OF BENEFITS and is subject to the specific maximums shown on the SCHEDULE OF BENEFITS.

[Failure by a Covered Person to follow the terms and conditions and/ or failure to utilize the network providers and facilities of His primary coverage will result in a benefit reduction of Covered Expense to [50%] of the amount otherwise payable under the Policy. This limitation will not apply to emergency treatment required within 24 hours after an Accident when the Accident occurs outside the geographic area served by Your primary plan's HMO, PPO or other similar arrangement for provision of benefits or services, if applicable.]

[Coordination of Benefits Provision:

If a Covered Person is insured for Benefits under this Policy, and is also covered for these Benefits under one or more other Plans, the benefits payable under this Policy will be coordinated with the benefits payable under all other Plans.

Coordination of Benefits will be used to determine the benefits payable for a Covered Person for any Claim Determination Period if, for the Allowable Expenses incurred in that period, the sum of (1) and (2) below would exceed those Allowable Expenses:

- (1) The benefits that would be payable under this Policy without coordination; and
- (2) The benefits that would be payable under all other Plans without the coordination of benefits provisions in those Plans.

The benefits that would be payable under this Policy for Allowable Expenses incurred in any Claim Determination Period without Coordination of Benefits will be reduced to the extent required so that the sum of:

- (1) Those required benefits; and
- (2) All the benefits payable for those Allowable Expenses from all other Plans will not exceed the total of those Allowable Expenses.

Benefits payable under all other Plans include the benefits that would have been payable had proper claim been made for them.

However, the benefits of another Plan will be ignored when the benefits of this Policy are determined if:

- (1) The Benefit Determination Rules would require this Policy to determine its benefits before that Plan; and
- (2) The other Plan has a provision that coordinates its benefits with those of this Policy and would, based on its rules, determine its benefits after this Policy.

When Coordination of Benefits reduces the total amount otherwise payable in a Claim Determination Period for a Covered Person, each benefit that would be payable in the absence of Coordination of Benefits will be reduced in proportion. The reduced amount will be charged against any applicable benefit limit of this Policy.

We reserve the right to release to or obtain from any other insurance company or other organization or person, any information that, in Our opinion, We or it needs for the purpose of the Coordination of Benefits.

When payments that should have been made under this Policy based on the terms of this provision have been made under any other Plans, We have the right to pay to any other organization making these payments the amount it determines to be warranted. Amounts paid in this manner will be considered benefits paid under this Policy. We will be released from all liability under this Policy to the extent of these payments. When an overpayment has been made by us, at any time, We will have the right to recover that payment, to the extent of the excess, from the person to whom it was made or any other insurance company or organization, as We may determine.

Benefit Determination Rules - The rules below establish the order in which benefits will be determined:

(1) Benefits not as a Dependent:

The benefits of a Plan that covers the person for whom claim is made other than as a dependent will be determined before a Plan that covers that person as a dependent.

(2) Dependent Benefits under Different Parent Plans:

The benefits of a Plan that covers the person for whom claim is made as a dependent of the parent whose birthday falls earlier in the year will be determined before the benefits that covers that person as a dependent under the other parent's Plan.

When both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

However, if the other Plan does not have the rule described immediately above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

Notwithstanding the foregoing, in the case of a dependent child of divorced or separated parents, the following rules will apply:

- (a) If there is a court decree that establishes financial responsibility for medical, dental or other health care of the child, the benefits of the Plan that covers the child as a dependent of the parent so responsible will be determined before any other Plan, otherwise:
- (b) The benefits of a Plan that covers the child as a dependent of the parent with custody will be determined before a Plan that covers the child as a dependent of a step-parent or a parent without custody;
- (c) The benefits of a Plan that covers the child as a dependent of a step-parent will be determined before a Plan that covers the child as a dependent of the parent without custody.

(3) Benefits for Person Longest Covered:

When the above rules do not establish the order, the benefits of a Plan that has covered the person for whom claim is made for the longer period of time will be determined before a Plan which has covered the person for the shorter period of time.

Right to Receive and Release Necessary Information

For this section to work, We must exchange information with other plans. To do so, We may give to or get from any source all such information necessary. This will be done without the consent of or notice to any person. Any people claiming Benefits under this plan must give to Us the required information.

Facility of Payment

Another plan may pay a Benefit that should be paid by Us by terms of this section. If this happens, We may pay to such payor the amount required for it to satisfy the intent of this section. This will be done at Our discretion. Any amount so paid will be considered a Benefit under this plan. We will not be liable for such payment after it is made].

All statements made by the Policyholder or by a Covered Person are deemed representations and not warranties. No such statement will cause us to deny or reduce benefits or be used as a defense to a claim unless a copy of the instrument containing the statement is or has been furnished to such person; or, in the event of his death or incapacity, his beneficiary or representative. After 2-years from the Covered Person's effective date of coverage, no such statement, except in the case of fraud or with respect to eligibility for coverage, will cause such coverage to be contested.

We will refund premiums paid for all other Certificates for concurrent periods of coverage.]

CLERICAL ERROR:

Clerical error in keeping any records pertaining to the coverage, whether by the Policyholder or by the Company, will not invalidate coverage otherwise validly in force nor continue coverage otherwise validly terminated, provided such clerical error is not prejudicial to the Company and is rectified promptly upon discovery.

ASSIGNMENT:

No assignment of interest in loss of life benefits shall be binding on the Company until the original or duplicate thereof is received by the Company. The Company assumes no responsibility for the validity of such assignment.

[Coordination of Benefits Provision:

If a Covered Person is insured for Benefits under this Certificate, and is also covered for these Benefits under one or more other Plans, the benefits payable under this Certificate will be coordinated with the benefits payable under all other Plans.

Coordination of Benefits will be used to determine the benefits payable for a Covered Person for any Claim Determination Period if, for the Allowable Expenses incurred in that period, the sum of (1) and (2) below would exceed those Allowable Expenses:

- (1) The benefits that would be payable under this Certificate without coordination; and
- (2) The benefits that would be payable under all other Plans without the coordination of benefits provisions in those Plans.

The benefits that would be payable under this Certificate for Allowable Expenses incurred in any Claim Determination Period without Coordination of Benefits will be reduced to the extent required so that the sum of:

- (1) Those required benefits; and
- (2) All the benefits payable for those Allowable Expenses from all other Plans will not exceed the total of those Allowable Expenses.

Benefits payable under all other Plans include the benefits that would have been payable had proper claim been made for them.

However, the benefits of another Plan will be ignored when the benefits of this Certificate are determined if:

- (1) The Benefit Determination Rules would require this Certificate to determine its benefits before that Plan; and
- (2) The other Plan has a provision that coordinates its benefits with those of this Certificate and would, based on its rules, determine its benefits after this Certificate.

When Coordination of Benefits reduces the total amount otherwise payable in a Claim Determination Period for a Covered Person, each benefit that would be payable in the absence of Coordination of Benefits will be reduced in proportion. The reduced amount will be charged against any applicable benefit limit of this Certificate.

We reserve the right to release to or obtain from any other insurance company or other organization or person, any information that, in Our opinion, We or it needs for the purpose of the Coordination of Benefits.

When payments that should have been made under this Certificate based on the terms of this provision have been made under any other Plans, We have the right to pay to any other organization making these payments the amount it determines to be warranted. Amounts paid in this manner will be considered benefits paid under this Certificate.

We will be released from all liability under this Certificate to the extent of these payments. When an overpayment has been made by us, at any time, We will have the right to recover that payment, to the extent of the excess, from the person to whom it was made or any other insurance company or organization, as We may determine.

Benefit Determination Rules - The rules below establish the order in which benefits will be determined:

(1) **Benefits not as a Dependent:**

The benefits of a Plan that covers the person for whom claim is made other than as a dependent will be determined before a Plan that covers that person as a dependent.

(2) **Dependent Benefits under Different Parent Plans:**

The benefits of a Plan that covers the person for whom claim is made as a dependent of the parent whose birthday falls earlier in the year will be determined before the benefits that covers that person as a dependent under the other parent's Plan.

When both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

However, if the other Plan does not have the rule described immediately above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

Notwithstanding the foregoing, in the case of a dependent child of divorced or separated parents, the following rules will apply:

- (a) If there is a court decree that establishes financial responsibility for medical, dental or other health care of the child, the benefits of the Plan that covers the child as a dependent of the parent so responsible will be determined before any other Plan, otherwise:
- (b) The benefits of a Plan that covers the child as a dependent of the parent with custody will be determined before a Plan that covers the child as a dependent of a step-parent or a parent without custody;
- (c) The benefits of a Plan that covers the child as a dependent of a step-parent will be determined before a Plan that covers the child as a dependent of the parent without custody.

(3) **Benefits for Person Longest Covered:**

When the above rules do not establish the order, the benefits of a Plan that has covered the person for whom claim is made for the longer period of time will be determined before a Plan which has covered the person for the shorter period of time.
